***Examiner Comment***

1. The Applicant is requested, not to submit duplicate references on Information Disclosure Statements. Prior art already of record is not reconsidered. Applicant is consuming Office resources and is requested to submit only prior art that is not already of record.
2. Applicant has elected to submit Information Disclosure Statements with duplicate citing of references on the following dates:

June 4, 2008 (4 pages – 1 new reference to the record)

March 3, 2008 (4 pages - 13 of 63 references new to the record)

October 22, 2007 (4 pages – 15 of 66 references new to the record)

Applicant's current practice is creating a burden on the Office and despite the "\*" of the new reference(s) the submission is not consistent with the statement of submitting references not know three prior to the submission. The Examiner still has a responsibility to review the submission for compliance, duplicates, completeness and errors, etc.
